

You might transform everything. So should your law firm.

Get started with *The MC Start-up Package* and we'll bring our passion for innovation, fee certainty, and all the forward-thinking, creative business advice you'll need as you transform.

You want to get started the right way – with professional, investor-friendly documentation that ensures a smooth flight ahead – but you also want to save money. Our start-up package allows you to focus on what matters most – your business.

We have years of experience working with start-ups on their business and legal needs. Now we're offering that experience in a way that fits your budget.

The MC Start-up Package gives you everything you need to get started, including:

- incorporation and registration;
- issuance of shares;
- stock-option plans;
- numerous agreements;
- assignment of IP; and
- one-on-one legal advice.

We're so confident in your success that **you pay only a single, modest fee until you become funded. After that, our fees stay incredibly competitive.**
